

RSE & PSHE

Progression of knowledge and skills

Subject leader overview Year 1 - Year 6 - Condensed curriculum

Introduction

This document is to be used by those schools who are following our [Condensed long-term plan](#).

It gives an overview of the skills and knowledge covered in each year group and strand across the units of lessons. Please note that, although our EYFS: Reception lessons are categorised under Self-regulation, Building relationships and Managing self units to match the EYFS:Framework, we have included organised skills and knowledge statements under the key areas we use throughout the rest of our scheme to more easily show progression between year groups.

Please note that the Condensed long-term plan does not cover all the skills and knowledge covered in our full scheme of work.

It does ensure that children are given opportunities to work towards all of the end of primary school targets set out in the RSE statutory guidance although we recommend that schools carefully assess pupils to decide whether any areas need covering in more depth (perhaps using our standard curriculum).

This document was last updated on 09.02.23. Please see [here](#) for the most up-to-date version.
