Help Us Refurbish Our School Hall – Your Recommendations Needed!

Dear Parents

We hope this letter finds you well.

As part of our ongoing commitment to improving our school environment, we are looking to refurbish our school hall. This space plays a vital role in our students' daily lives – hosting assemblies, performances, community events, and more – and we want to ensure it continues to serve our school community in the best possible way.

To make this project a success, we would love to draw on the expertise and connections within our parent community. If you have any recommendations for trusted contractors, suppliers, or professionals in areas such as:

- Painting and decorating
- General refurbishment services

...we would be incredibly grateful if you could share their details with us.

Additionally, if you or someone you know might be interested in supporting the project through sponsorship or donations, we'd be delighted to hear from you.

Please send any suggestions or expressions of interest to [office@st-leonards-wigginton.staffs.sch.uk](mailto:office@st-leonards-wigginton.staffs.sch.uk) FAO Mrs Cullen - Hall project

Thank you for your continued support in helping us create a vibrant and welcoming space for our children and wider school community.

Kind regards,

Mrs K Cullen
